Summer Term 2 Newsletter 2025/26

Headteacher's Message

Dear Parents and Carers,

As we reach the end of another incredible academic year, I want to take a moment to reflect on everything we have achieved together as a school community.

The summer term has been full of memorable moments, exciting opportunities and, above all, the continued growth and success of our wonderful students. Every day, I am reminded of the resilience, kindness and determination our young people show, and it has been a privilege to watch them develop in confidence, independence and happiness throughout the year.

This term has brought so much to celebrate. From outdoor learning and enrichment activities to creative projects, sporting achievements, performances, educational visits, even a summer water play afternoon, our students have embraced every opportunity with enthusiasm. We have received more commendments from the Inclusion Quality Mark assessment team who evaluated us again as Centre of Excellence which is an incredible achievement. None of this would be possible without the dedication of our exceptional staff team, who work tirelessly to create a safe, nurturing and inclusive environment where every child and young person can thrive.

This half term has also seen many of our pupils begin their transition activities. Whether moving classrooms, preparing for secondary education or taking the exciting next step into

post-16 provision, transitions can bring both excitement and uncertainty. Our staff continue to work hard to ensure that every child feels safe, prepared and supported, allowing them to approach these changes with growing confidence.

I would also like to thank our parents and carers for the trust, encouragement and support you continue to show. Working in partnership with families is at the heart of everything we do, and together we make an enormous difference to the lives of our children and young people.

As many of you know, this has also been an exciting period of potential growth and development for Educate U and we have had Ofsted visit this month. I hope to be able to share more in the Autumn term.

Within this newsletter, you'll find a snapshot of the many experiences and achievements that have made this term so special. I hope you enjoy looking back on these highlights as much as we have enjoyed creating them.

Finally, I would like to wish all of our students, families and staff a safe, restful and well-deserved summer break. We look forward to welcoming everyone back in September for another exciting year of learning and new opportunities. We look forward to seeing your child back in school on 8th September 2026

Thank you for being part of the Educate U family.

Sarah Paoletti

Headteacher

Staffing

Goodbye

This term we say farewell to **Laura Silcock**, one of our much loves Primary Teachers. Laura has been a wonderful part of our school community, building strong, trusting relationships with our youngest learners and creating a calm, nurturing classroom where children have felt safe to grow in confidence. We are incredibly grateful for everything Laura has given to our school and wish her every happiness and success in the next chapter of her career.

We also say goodbye to **Kira Garrett**, our Music Intervention Lead. Kira has brought creativity, warmth and enthusiasm to our students through music, helping many children discover confidence, self-expression and enjoyment in ways that words sometimes cannot. We thank Kira for the difference she has made to so many of our young people and wish her all the very best for the future.

Welcome

Whilst it is always difficult to say goodbye, it is equally exciting to welcome new members to our team.

We are delighted that **Lorrell Watson** will be joining us as our new Primary Teacher. Lorrell brings a genuine passion for supporting children with additional needs. We are very much looking forward to seeing the positive impact she will have within our primary provision and know she will receive a very warm Educate U welcome.

We are also pleased to welcome **Fiona Kidney**, who joins our school office team. Fiona will be one of the friendly faces greeting families, visitors and pupils, while supporting the many behind-the-scenes tasks that help keep our school running smoothly.

We are delighted to welcome **Adam Sharpe** to the team as our new SENCO Lead. Adam brings a wealth of experience, having worked as a SENCO in both specialist and mainstream school settings. His knowledge and expertise will be a valuable addition to our team.

We are not saying goodbye to Georgina, who will continue to be part of the Educate U family. As Georgina reduces her working days, Adam will be taking over responsibility for coordinating Annual Reviews, ensuring a smooth transition and continued support for our pupils and families.

Update to Staffing

In September, **Kinga** will be starting her maternity leave. We wish her all the very best as she begins this exciting new chapter.

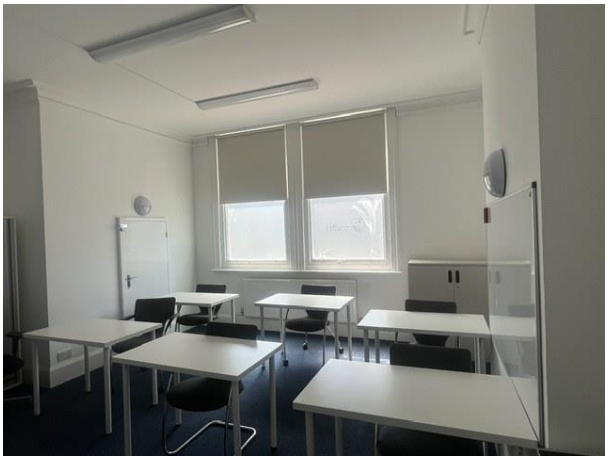

During her absence, **Molly** will be stepping into a new role as our Speech and Language Therapy Assistant and ELSA (Emotional Literacy Support Assistant). We are delighted to see Molly take on this opportunity and are confident she will continue to provide excellent support to our pupils.

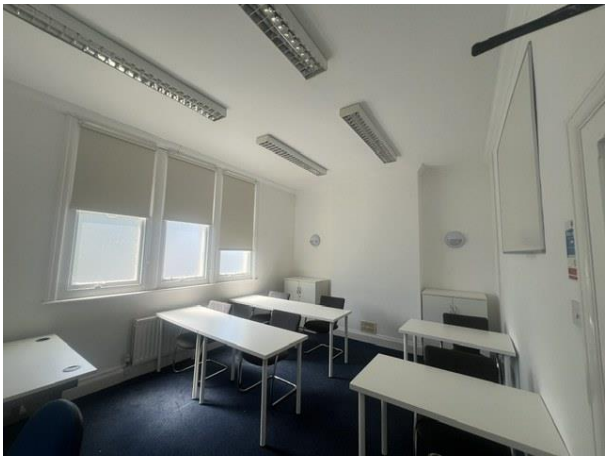

1 - My name is Molly and I am really looking forward to being the school's new SALT assistant and ELSA. For students who don't know me well, here is a little bit about me; I love animals, being outside, playing games, and doing creative activities! I am excited to facilitate playful and engaging sessions which are personalized to students' special interests and hobbies. It is important to me to create comfortable and low-pressure learning environments where students feel like they can really be themselves and have fun!

17 Liverpool Gardens Update

Our new development at 17 Liverpool Gardens, Worthing, is completed and successfully underwent its Change of Material Use inspection. The new site has been designed to provide dedicated learning spaces for up to 24 Key Stage 4 students, offering specialist teaching facilities to support GCSEs, Functional Skills and ASDAN qualifications.

The provision has been carefully developed to meet the needs of pupils with SEND, including those with autism, SEMH and anxiety-related needs, through small class sizes, low-arousal learning environments and consistent adult support. The site promotes increasing independence and preparation for adulthood, while providing appropriate examination facilities and a calm, structured environment to support students as they transition into further education, employment and adult life.

We are incredibly proud of the calm, welcoming aesthetics of the building and are now eagerly awaiting the outcome of the inspection, with a decision expected over the summer

Whole School Events

Gypsy, Roma and Traveller Month

Recently, our school came together to celebrate Gypsy, Roma and Traveller (GRT) History Month, an opportunity to recognise and celebrate the rich cultures, histories and contributions of Gypsy, Roma and Traveller communities. GRT History Month is celebrated

every June across the UK and aims to raise awareness, challenge stereotypes and promote understanding, respect and inclusion. It encourages everyone to learn more about the traditions, heritage and achievements of these diverse communities, while recognising the importance of equality and belonging for all. Throughout the day, our pupils took part in a range of activities designed to explore the history, culture and values of Gypsy, Roma and Traveller communities. They enjoyed opportunities for discussion, creativity and reflection, helping them to develop a greater understanding of different ways of life and the importance of treating everyone with kindness and respect. At Educate U, we are proud to celebrate the diversity within our school community. Events like these help our pupils to develop empathy, curiosity and appreciation for different cultures, supporting our commitment to creating an inclusive environment where every child feels valued and respected.

World Population Day

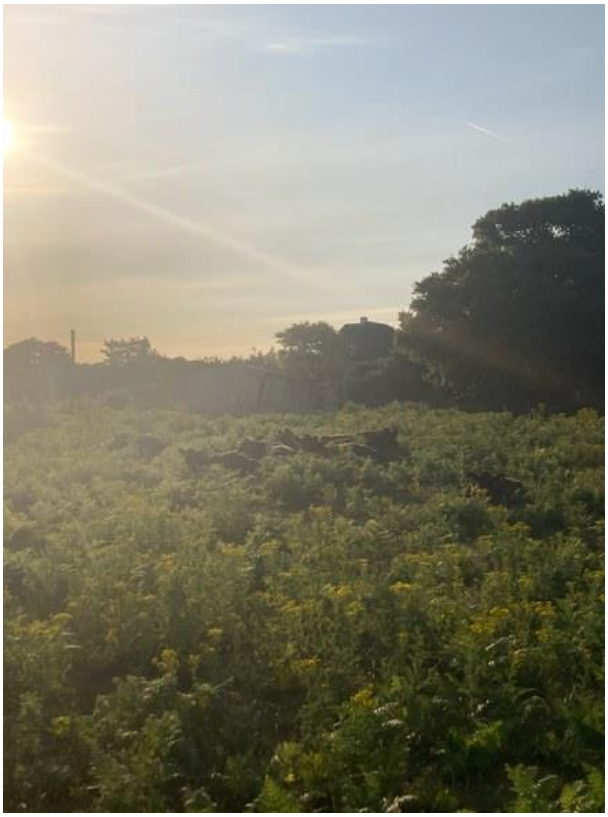

This half term our classes took part in activities to mark World Population Day, giving pupils the opportunity to think about the people who share our planet and the importance of caring for one another and the world around us.

Across the school, pupils explored themes including global communities, diversity, sustainability and the resources we all rely upon. Activities were carefully adapted to meet the needs of each class, with students engaging in discussions, creative projects, map work and practical learning. It was wonderful to see our young people sharing their ideas, asking thoughtful questions and recognising that, although we may all have different experiences, we are all part of one global community.

In school we value opportunities such as these to broaden our pupils' understanding of the wider world while encouraging kindness, respect and curiosity. I have been incredibly proud of the conversations this encouraged from our young people and it was lovely to see such enthusiastic engagement across the school.

Trips

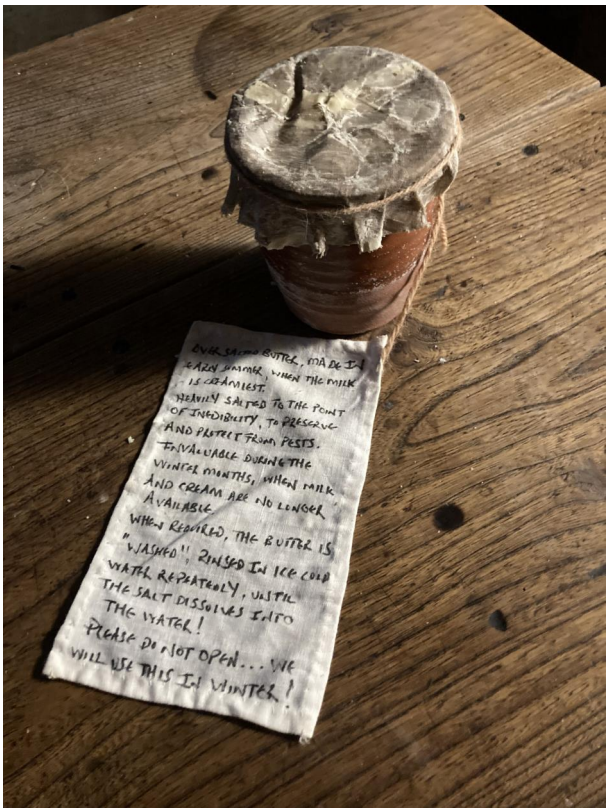

OVER SEASON BUTTER, AND DO IT
EARLY IN THE MORNING, WHEN THE MILK
IS AT ITS COOLEST.
HEAVILY SALTED TO THE POINT
OF INEDIBILITY, TO PRESERVE
AND PROTECT FROM PESTS.
IT IS VALUABLE DURING THE
WINTER MONTHS, WHEN MILK
AND CREAM ARE NO LONGER
AVAILABLE.
WHEN REQUIRED, THE BUTTER IS
WASHED!! RINSED IN ICE COLD
WATER REPEATEDLY, UNTIL
THE SALT DISSOLVES INTO
THE WATER!
PLEASE DO NOT OPEN... WE
WILL USE THIS IN WINTER!

Lodge Hill

From the 1st to the 3rd of July, some students took part in an action-packed residential trip to Lodge Hill. Over two exciting days, they challenged themselves with a wide range of activities including rifle shooting, the high zip line, sno-tubing, crate stacking, axe throwing, go-karting, tunnelling, fencing, and even a night hike.

Every student who participated embraced the opportunity to try new experiences, support one another, and work together as a team. It was fantastic to see them encouraging their peers, stepping outside their comfort zones, and celebrating each other's achievements.

Whether attending for the day or staying away from home for two nights, all students demonstrated resilience, teamwork, and a brilliant sense of fun. We are incredibly proud of everyone who took part. There were plenty of laughs, memorable moments, and a truly outstanding team-building experience.

Weald and Downland Museum

The primary students had an enjoyable and engaging visit to the Weald and Downland Museum. They particularly enjoyed exploring the different historic houses and discovering how people lived in the past. The trip provided opportunities to ask questions, compare old and modern homes, and develop their understanding of history through hands-on learning. The students were enthusiastic throughout the visit and represented the school positively.

LazerZone

On Monday 13th July, some students from Hannah's class enjoyed an exciting trip to LazerZone in Brighton. We started the day by practising our travel training skills, taking the train from Worthing Station to Brighton. This was a particularly positive experience, as the children successfully overcame their fears of using the ticket barriers and demonstrated growing independence and confidence.

After arriving in Brighton, we walked to the beach and enjoyed lunch together before heading to LazerZone. We were very lucky to have the venue to ourselves and took part in a thrilling "Mini Mission" laser tag session. The children worked brilliantly as a team, showing excellent communication skills, teamwork and sportsmanship throughout the game. There was lots of laughter, plenty of fun and some fantastic team building. Overall, it was a wonderful class trip that not only developed travel training skills but also supported teamwork and helped the students complete an ASDAN challenge!

Summer Fair

Our annual Summer Fair was a fantastic success, bringing together pupils, families and staff for an afternoon of fun and laughter.

Events like these provide a wonderful opportunity for everyone to come together and celebrate what makes our school such a special place. It was fantastic to see so many families enjoying the wide range of activities and supporting the many stalls on offer.

A very special thank you goes to our amazing Summer Fair organising team, Nicky B and Karen (from Futures) as well as Kinga, Sandra, Millie O, Hannah, Karen, and Paige (Educate U). An incredible amount of time, energy, creativity, and hard work went into planning and preparing the event, and we are extremely grateful for everything they did to make the day such a success.

Our sincere thanks also go to Hope and all the members of the Dance Club for their wonderful performance. Their dedication and hard work were evident for all to see, and they entertained the crowd brilliantly.

We are incredibly proud of the pupils who helped prepare many of our stalls. Thank you to Ellie's class for organising the ice cream stall, Laura's class for preparing the lemonade stall, and a student in primary for baking her delicious cakes, and the Student Council for creating the slime stall. Their enthusiasm, creativity, and teamwork made a fantastic contribution to the afternoon.

There was something for everyone to enjoy including the Teddy Bear Tombola, Guess the GIANT Bears name, Hook-a-Duck, the glitter stall, delicious burgers fresh from the BBQ, and the ever-popular "Soak the Teacher" challenge. A special thank you to Millie B, Jared, Will, and Freddie for being such great sports and helping make the "Soak the Teacher" stall one of the highlights of the day!

A huge thank you also goes to all our staff who ran stalls, served refreshments, supervised activities, and helped everything run smoothly throughout the afternoon. Your enthusiasm, support, and willingness to get involved are greatly appreciated and played a huge part in making the fair such an enjoyable event for everyone.

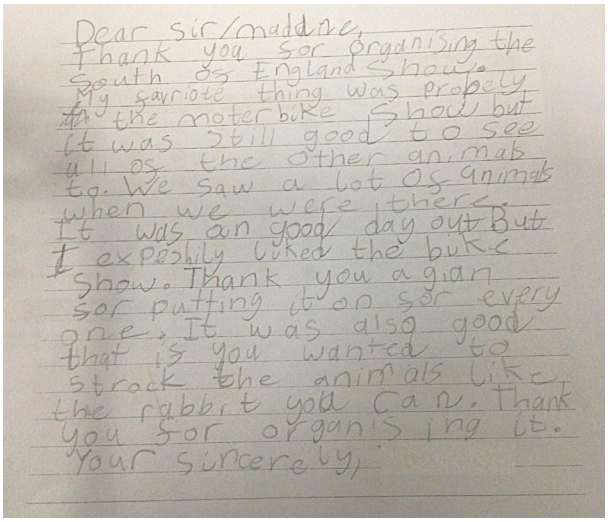

Finally, thank you to all our families for joining us, supporting our school, and continuing to play such an important role in our school community. Your ongoing encouragement and involvement make events like this possible.

Thank you to everyone who attended and contributed to such a memorable day. We hope you all had a wonderful afternoon, and we look forward to seeing you again at the Christmas Fair!

Highly Commended at the South of England Show

Dear sir/madam,
Thank you sor organising the South of England Show.
My savriote thing was probely the moterbike Show but it was still good to see all of the other animals too. We saw a lot of animals when we were there. It was an good day out But I expeshily liked the bike Show. Thank you again sor putting it on sor every one. It was also good that is you wanted to strock the animals like the rabbit you can. Thank you sor organising it.
Your sincerely,

At the beginning of June, Ellie's class took part in the Bug Hotel Competition at the South of England Show. This project linked to both our Art lessons, where we focused on upcycling materials, and our ASDAN activities.

The class worked hard to design and create their bug hotel using recycled and repurposed materials. Although we did not come first in the competition, we were delighted to be awarded Highly Commended rosettes in recognition of our efforts and creativity.

As part of the experience, the event organisers kindly provided free tickets for all participants. To show their appreciation, the class wrote thoughtful thank-you letters to the organisers after the event.

Everyone had a wonderful day at the show. Pupils enjoyed seeing a variety of animals, watching an exciting motorbike display, and treating themselves to some well-deserved ice creams. It was a fantastic opportunity to celebrate the class's hard work and enjoy a memorable day together.

Exam News

It has been another busy and successful year for examinations, with a total of 136 exams taking place across the school. These included:

- 22 GCSE examinations (including mock exams)
- 114 Functional Skills examinations (including mock exams)

Throughout the exam period, appropriate access arrangements were put in place where required, ensuring that every student had the support they needed to perform at their best.

Students also benefited from ongoing revision sessions and targeted intervention throughout the year. Their hard work, combined with the dedication of staff, has helped to maximise progress, build confidence, and support exam success.

GCSE Results Day will take place on Thursday 20 August. Results will be emailed directly to students via their school emails.

We would like to congratulate all of our students on their commitment and determination and thank our staff for their continued support in helping learners achieve their full potential.

Leavers Party

Although we had to postpone our original celebration our Year 11 Leavers' Party on 8th July was well worth the wait and turned out to be a wonderful day for everyone involved.

The afternoon gave students the opportunity to spend time together, enjoy a selection of snacks and goodies, and, socialise with all staff and student of other classes. It was a relaxed and enjoyable celebration, allowing them to reflect on their time at school and create some final memories together before moving on to their next chapter.

A special highlight of the afternoon was a heartfelt speech from Sarah Paoletti, who shared kind words with each of the Year 11 students, celebrating their achievements, recognising their individual journeys, and wishing them every success for the future.

A huge thank you goes to Katie and Vic G for the beautiful decorations and the fantastic food, which helped make the day so special. Thank you to Emma, Kayleigh, David J and to all the staff who supported the event and helped create such a memorable celebration.

We wish all of our Year 11 leavers every success and happiness for the future. We are incredibly proud of everything they have achieved and hope they look back on their time with us with fond memories.

Attendance

As we come to the end of another school year, we would like to thank all of our parents and carers for your continued support in helping your child attend school. We know that, for many of our families, getting to school each day can involve overcoming significant challenges, and we truly value the partnership we have with you.

At Educate U, our approach to attendance is rooted in understanding, strong relationships and high expectations. We know that for many of our pupils, barriers such as anxiety or social, emotional and mental health needs can make attending school difficult. By working together to understand and reduce these barriers, we can help every child feel safe, supported and ready to learn.

Regular attendance helps children build confidence, develop positive relationships, establish routines and make the best possible progress. We also know that every step forward matters, and we celebrate improvements as well as consistency.

If your child is finding it difficult to attend school, we encourage you to speak to us as early as possible. By working together, we can explore the reasons behind any difficulties and agree practical strategies to help your child return to school successfully. Our aim is always to build solutions together, celebrating every step forward, however small.

Thank you once again for your ongoing support throughout the year. We wish all of our families a happy, restful summer break.

Student Council News

As we come to the end of another fantastic term, we'd like to say a huge thank you to our current Student Leader for all their hard work, dedication, and leadership. Your enthusiasm and commitment have made a real difference, and we truly appreciate everything you've contributed to Student Council.

We're also excited to welcome a new Student Leader, who will have an opportunity to take on the role next term. We can't wait to see all the great ideas and energy you'll bring to the team!

Our Student Council meetings have continued to be incredibly productive this term, and I am so proud of every member for their thoughtful ideas, teamwork, and all the valuable contributions they've made during our meetings. It's been wonderful to see everyone working together to make a positive impact across Educate U.

To finish the term, we had a lovely (and very messy!) final meeting making slime to sell at our Summer Fayre on the Student Council stand. We had lots of fun getting creative, and we hope everyone enjoyed a fun afternoon at the Fayre.

Thank you to all our Student Council members for another brilliant term, you are the student voice of the school, and we look forward to everything we achieve in September!

The Student Council Team.

Futures at Educate U

As we near the long-awaited summer holidays, we would like to congratulate our Year 11 students, some of whom completed successful transition days at Futures College and are now looking forward to a well-deserved summer break. We wish them every success as they take the next exciting step in their education.

Throughout this term in PSHE, our focus has been on 'The World Around Us', helping students develop their understanding of the opportunities available to them now and in the future. Our Key Stage 2 pupils have been exploring the different jobs people do and the important roles they play within our communities. Meanwhile, students in Key Stages 3 and 4 have been learning about careers across a range of industries, including STEM, while also developing essential life skills through preparing for adulthood and understanding how to manage their finances. These lessons continue to support our students in building the knowledge, confidence, and aspirations needed for their future pathways.

Over the summer, all students are encouraged to continue exploring the wide range of free virtual work experience opportunities available through the Springpod platform at www.springpod.com. Students can explore careers, complete employer-led virtual work experience programmes, and gain certificates to enhance their CVs and future applications. To access these opportunities, students should create their personal Springpod account using their school email address, ensuring they can benefit from opportunities shared through the school and continue building their career skills over the summer break.

If you have any questions about accessing or using Springpod, please contact **martha@educateu.co.uk**, who will be happy to help.

SENCO news

I would like to thank all the parents that supported our continuation as a Centre of Excellence for the IQM Award.

One comment that was particularly poignant from the inspector was ‘Throughout the review, I was struck by the consistency of the messages being shared by leaders, therapists, staff, and parents. Conversations repeatedly returned to belonging and relationships. Staff, therapists, leaders and parents all spoke about helping children feel safe, understood, and valued. Most importantly, they spoke about creating the conditions in which children and young people can begin to believe in themselves again.’

It is always lovely to have external recognition for what Educate U thrives to achieve for our young people.

In other news, I am happy to report that we will be continuing our hot food Thursday next academic year. It has been lovely to get feedback from the students on how much they enjoy sampling the food, but also the social aspect of going to the hall and mixing with peers that they would not normally see.

Finally, I just wanted to clarify my role from September. I will be reducing to 2 days a week, Wednesday and Thursday and Adam will take over as Lead SENCo. The main changes will be that Adam will be the main coordinator for the Annual Reviews. Due to my change of hours please do email Adam on adam@educateu.co.uk for any SENCo related queries from September so that you continue to receive a prompt response.

Georgina Spoor

SENCO

Parent Group

We are delighted to continue our Parent Information Group next school year. The group is designed to strengthen connections with families and ensure that every parent and carer feels welcomed, supported, and included in our school community.

Our sessions provide a friendly and informal opportunity for parents to learn, ask questions, share experiences, and gain practical strategies to support their children's wellbeing and development at home.

Upcoming Sessions

Supporting My Child to Emotionally Regulate

Wednesday, 7 October 2026

This session explores the importance of emotional regulation and what is developmentally appropriate at different stages of childhood. Parents will learn how to recognise behaviour as a form of communication and discover positive, supportive strategies to help children understand and manage their emotions effectively.

Healthy Relationships and Friendships

Wednesday, 17 March 2027

This session will help parents support their child in developing healthy friendships and relationships. We will discuss the importance of maintaining open conversations about the relationships children are forming, explore how to recognise the signs of healthy and unhealthy friendships, and consider the influence of social media on children's relationships.

Positive Communication

Wednesday, 16 June 2027

Effective communication is at the heart of strong relationships. This session explores different ways we communicate with our children, including verbal and non-verbal communication, and highlights the important role that play has in building connection. We will reflect on what we say, how we say it, and the value of truly listening to our children. The session will also consider how communication can be affected when children are feeling overwhelmed and how parents can respond in supportive ways.

We look forward to welcoming both new and returning parents to these sessions and continuing to work together to support the wellbeing and development of our children.

News from Therapy House

Hello again from Therapy House.

As the brighter mornings and warmer afternoons begin to settle around us, thoughts of summer can filter into our minds and all the changes that brings to the academic year. The second part of this term begins the transition into new classes and the start of saying goodbye to the familiar.

Some of our students have already shared their experiences of transition of being one of new connections, fun and excitement for the year head. Their curiosity and energy symbolising the bright seasons outside our windows.

At the same time, we recognise that change and transition can also stir uncertainty for many children and young people. As we begin preparing for new classes and the next steps in each pupil's journey, we remain mindful that transitions are not just about the physical changes, but they are emotional experiences too. Throughout this term, staff have been carefully supporting pupils through conversations, visits, relationship building opportunities, and gentle preparation work to help each child feel safe, seen, and emotionally held during these changes. There anxieties, uncertainties and needs are like the flourishing seeds currently in bloom and need care and consideration to help thrive.

As always, we want to thank families and carers for the ongoing partnership and trust you place in us. The sense of community around our school is something we value deeply. By working together with warmth, curiosity, and compassion, we continue to create the conditions where young people can feel safe enough to grow and learn.

Intervention Staff Spotlight: Sarah Marshall Outreach Tutor

As an Intervention Tutor, I provide one-to-one support for students in a calm and nurturing environment separate from the main school building. This setting enables students to

develop confidence, engage positively with learning, and work at a pace suited to their individual needs. Students access a broad curriculum including Maths, English, PSHE, Art, and, where appropriate, Music. Learning programmes are tailored to each student's interests and strengths wherever possible, helping to increase motivation and engagement. A key focus of my role is supporting students in working towards Functional Skills qualifications while also developing essential life skills, resilience, independence, and self-belief. Through strong relationships and individualised support, my aim is to help students overcome barriers to learning and achieve their personal and academic goals.

Exciting News from Forest School!

From September, our Forest School sessions will be taking place at Furzefield Scout Campsite in Angmering.

Our new location offers some fantastic facilities, including access to running water, sheltered areas and improved resources, helping us to make the most of our sessions whatever the weather. Being closer to school will also make it easier for pupils to access Forest School while still enjoying the benefits of learning in a natural outdoor environment.

Although we are moving to a new site, the things that make Forest School so special will remain exactly the same. Pupils will continue to be supported by the same Forest School Leader, providing the familiar routines, trusted relationships and consistency that are so important to their learning and development.

Children can continue to look forward to the wide range of hands-on activities they already enjoy, including woodland exploration, nature-based crafts, tool use, campfire cooking, den building, team challenges and opportunities to develop confidence, resilience and independence through outdoor learning.

A huge thank you to everyone at Reef Woods for the incredible memories they have given our pupils over the years.

We are very excited to begin this new chapter and look forward to welcoming everyone to our new Forest School site in September!

Safeguarding

As another school year comes to an end, everyone at Educate U would like to wish our families a wonderful summer holiday. Living here in Worthing gives us so many opportunities to enjoy the outdoors from our beautiful beach and South Downs to parks, museums and local events. Whether you're staying local or heading further afield, we hope you enjoy making special memories together. While the holidays are a time to relax, they're also a good opportunity to remind children about staying safe.

Water Safety

With a beach right on our doorstep, it's important to stay safe around the sea. Always supervise children near water, choose lifeguarded beaches where possible, check the beach flags before swimming and remind children never to enter the water alone. Inflatable toys can quickly drift out to sea, even on calm days.

Sun Safety

Hopefully we'll continue to enjoy plenty of sunshine! Remember to:

- Apply sunscreen regularly (SPF 30 or above).
- Wear hats and lightweight clothing.
- Drink plenty of water throughout the day.
- Take breaks in the shade, especially between 11am and 3pm.

Online Safety

Many children spend more time gaming, chatting with friends or using social media over the holidays. Regular conversations about staying safe online can make a real difference.

Encourage children to keep personal information private, be kind online and always tell a trusted adult if something worries them.

Staying Safe Out and About

Whether your family is exploring Worthing, travelling further afield or visiting friends, talk to children about what to do if they become separated from you. Agree a meeting point, ensure older children know important phone numbers and encourage them to seek help from trusted adults if needed.

Knowing Where to Get Help

The summer holidays aren't always easy for every family. If your child is feeling worried, anxious or upset, remind them that they can always talk to you or another trusted adult.

Support is available throughout the holidays:

- **Childline** – 0800 1111 or www.childline.org.uk
- **NSPCC** – Advice and support for parents at www.nspcc.org.uk
- **West Sussex Family Hubs** offer information, advice and support for local families throughout the year.

Finally, if you're looking for things to do, keep an eye on the Adur & Worthing Councils, Worthing Theatres & Museum, West Sussex Libraries, and Time for Worthing websites and social media pages, where you'll find lots of free and low-cost family activities taking place throughout the summer holidays. From everyone at Educate U, have a safe, happy and relaxing summer. We look forward to welcoming everyone back in September, ready for another fantastic year of learning.

Medication for the New School Term

Parents and carers are reminded that any medication required in school must be brought into the school office by a responsible adult at the start of the September term. Medication must not be sent into school with students.

All medication must:

- Be in its original pharmacy packaging
- Be clearly labelled with the student's name and dosage instructions
- Be within its expiry date
- Be accompanied by a completed and signed medication consent form

A medication handover form will also need to be signed when the medication is brought into school. Please ensure that the school is provided with enough medication and that any

changes to your child's prescription or medical needs are shared with the school office promptly.

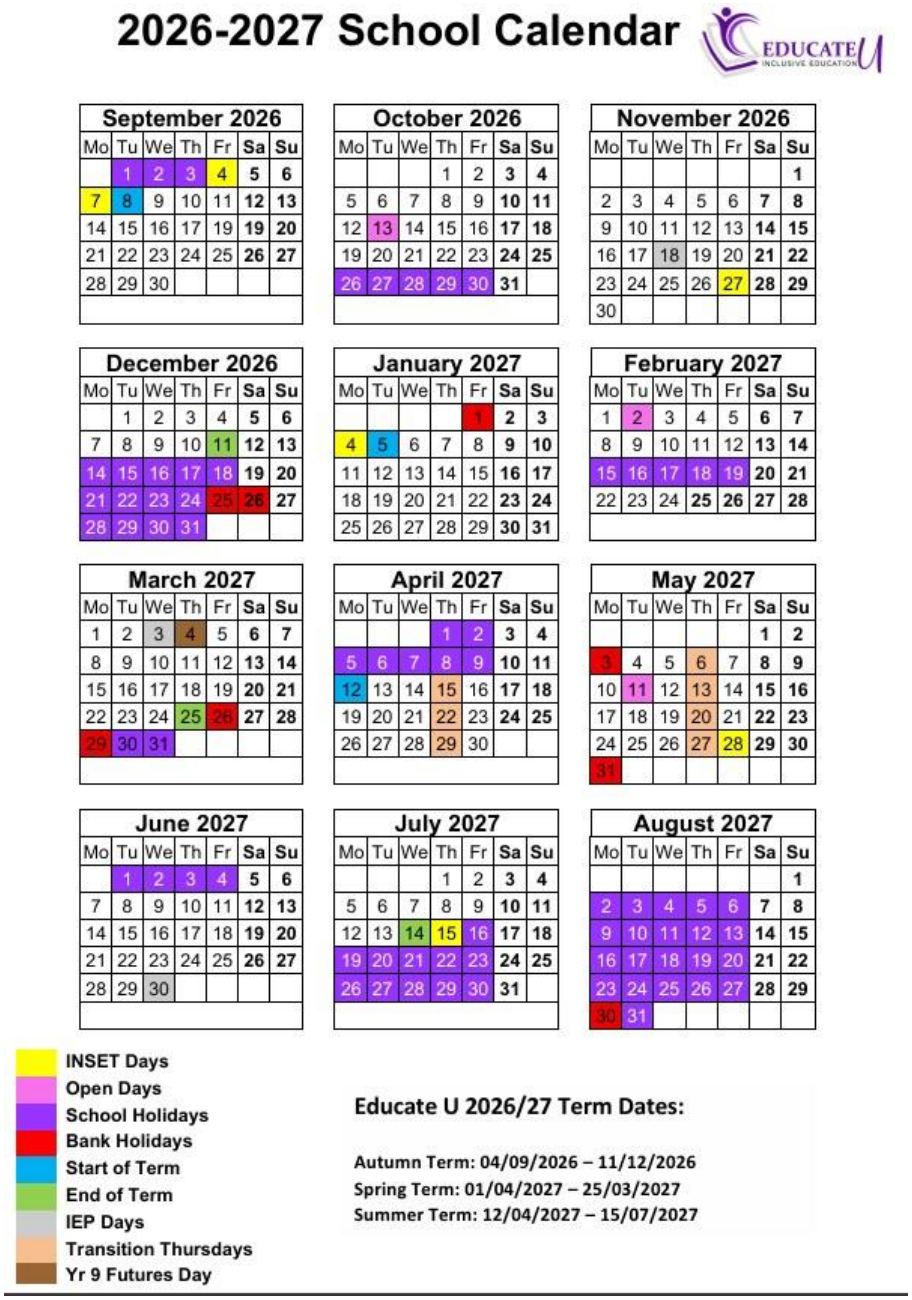

Half termly Parent and Carer Voice Survey

We really value your thoughts and are always looking for ways to improve our school community and the way we do things. We'd really appreciate it if you could take a few minutes to complete the Microsoft Form linked below.

LINK NEEDED

Your feedback helps us understand what's working well and where we can make improvements. Whether it's a quick comment or a more detailed suggestion, it all helps and we really appreciate you taking the time to share it. Thank you, as always, for your continued support.

2026-27 School Calendar

Dates for the diary:

July 17th - September 3rd - Summer Holidays

September 4th and 7th - INSET Days

September 8th - First Day Back for Students

September 17th - Whole School Flu Vaccination

October 7th - Parent Group Supporting My Child to Emotionally Regulate

October 13th - Open Day - 12:00pm Finish for Students

October 26th - 30th - Half Term
